To All Coin & Currency Dealers,  
Pawn Brokers, etc

At 6:45 AM this morning we were assaulted and robbed while unloading at the Corn Belt Coin Club show in Bloomington, IL.

Two of our five black cases with GTE Directories Corp. brass plates on top were taken. These cases each contained two, two roll black slab boxes. The complete inventory is attached.

If anyone tries to sell what might look like a large number of these coins, please call the Bloomington Police Department at 309 434-2700 or your local Police Department.

A collector that is also a Police Officer said the gangs were coming out of Chicago to commit robberies and then returning straight to Chicago. But since it is not know if this is what happened we are sending this to as many dealers as possible.

Please pass this information to any dealers or pawn shops that you know.

Your help is greatly appreciated.

Sincerely,

Frank M. Zapushek
